## Amalgamation Implementation Plan for Three Seniors Organizations

The Yukon Council on Aging (YCOA), the Golden Age Society (GAS) and the ElderActive Recreation Association (ERA) are three not-for-profit organizations in the Yukon that provide a variety of services to senior citizens (55+) throughout the Territory.

In May 2023, an initial amalgamation feasibility study was completed and recommended that an *“Amalgamation Implementation Plan”* be developed and presented to all three organizations. This proposed plan will inform a vote by all 3 memberships as to whether or not to proceed with amalgamation.

We are seeking proposals for the development of this plan and the presentation of the plan to the 3 memberships.
